

TRC

INTERNATIONAL FOUNDATION PROGRAMME

FOR DIRECT ENTRY TO KURSK STATE MEDICAL UNIVERSITY & UNIVERSITIES IN THE UK, EU, USA, CANADA, AUSTRALIA & NZ

If you have completed secondary school education in your home country, this programme allows for direct university entry to Kursk State Medical University and a wide range of degree subjects at universities in the UK, EU, Canada, USA, Australia and New Zealand, in just one academic year.

Whether you want to be an accountant, engineer, lawyer, business person, scientist, pharmacist, doctor or dentist, we will match you with the appropriate academic subjects that you need to progress to study your chosen degree. 98% of our students enter university. 100% ultimately.

Our guarantee to you:
If you have done all that is required of you but do not pass the TRC University Foundation Programme or gain entry to university from it, we teach you for FREE until you do.

However, we feel confident that you will be successful first time!

THE INTERNATIONAL FOUNDATION PROGRAMME PROVIDES PREPARATION FOR DIRECT ENTRY TO YOUR CHOSEN UNDERGRADUATE DEGREE PROGRAMME.

What is special about the TRC International Foundation programme?

The International Foundation programme provides you with:

- College university status
- A quality-assured and University overseen programme
- A conditional offer of a place on the first year of a relevant degree at KSMU or another University
- Guaranteed university placement for all successful students.
- Professional support and guidance with university applications
- Flexible entry dates
- The highest levels of personal care and support.

Key Facts

Approximately two thirds of the programme is devoted to academic modules specific to your chosen pathway.

Language support

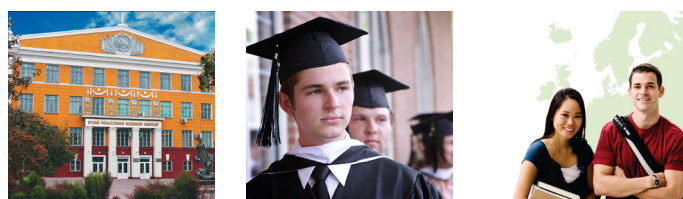

All students will complete a course in English for Academic Purposes and take further IELTS tests. The required level that needs to be achieved will depend on your initial level of English, and the level required for your chosen degree programme.

Advanced or Native English speakers will be assigned higher level report and research exercises to develop more advanced skills. A second language e.g. Russian, will be studied at Beginner's level as required for university entry.

TRC INTERNATIONAL FOUNDATION PROGRAMME
